

Career Talk: The World of Chemistry and Forensic

On 19th December 2020, Forensic Student Society conducted a career talk called The World of Chemistry and Forensic in collaboration with FORSIS alumni. The program which was conducted virtually via Google Meet aim to give an insight job opportunity in forensic field and in depth about the reality of this career based on experiences of the invited alumni from Jabatan Kimia Malaysia (JKM), Kementerian Kesihatan Malaysia (KKM) and Polis Diraja Malaysia (PDRM). It can be concluded that, this sharing session was successfully executed. The program was well received with a total of 300 positive feedbacks. Generally, this program was fruitful and inspiring in preparing the students for this career.

The banner features logos for FORSIS UTM MALAYSIA, UNIVERSITI TEKNOLOGI MARA, and Fakulti Sains Gunaan. The main title is 'CAREER TALK: THE WORLD OF CHEMISTRY AND FORENSIC' with a date and time of '19 DECEMBER 2020 10:00 AM - 12:15 PM'. A yellow 'POLICE LINE DO NOT CROSS' border runs across the middle. Three speakers are listed with their photos and titles: PN. AEDRIANEE REEZA ALWI (JKM), DR. KHAIRUL ADLI NIKMAN (KKM), and TUAN. MOHAMAD SAZIF MOHAMED SUBRI (PDRM). A dark blue box on the right contains the topic 'TOPIC WORK EXPERIENCE AND JOB OPPORTUNITITES'. At the bottom right, it says 'JOIN US AT OPEN TO AS253 STUDENTS' with a webex logo and 'E-CERTIFICATE WILL BE GIVEN' with a pencil icon.
