

Norazura Ibrahim

Experience

2017–Present

Senior Lecturer • Polymer Technology • Universiti Teknologi MARA

2015–2017

Coordinator • Polymer Technology • Universiti Teknologi MARA

2011–2017

Senior Lecturer • Polymer Technology • Universiti Teknologi MARA

2004–2011

Lecturer • Polymer Technology • Universiti Teknologi MARA

2003–2004

Young Lecturer • Polymer Technology • Universiti Teknologi MARA

2000–2002

Rubber Technologist • Quality Assurance • Southern Wire Sdn. Bhd

Education

RMIT University, Melbourne, Australia

- Doctor of Philosophy (Chemical Engineering)

Loughborough University, Leicestershire, United kingdom

- Master of Science in Polymer Technology

Universiti Teknologi MARA, Shah Alam, Malaysia

- Bachelor of Science (Hons) Polymer Technology

Institut Teknologi MARA, Shah Alam, Malaysia

- Diploma In Rubber & Plastics Technology

Malaysia Rubber Board, Sg. Buloh, Malaysia

- Diploma In Natural Rubber Processing

Faculty of Applied Sciences,
Universiti Teknologi MARA,
40450 Shah Alam, Malaysia.

Recognition of Expertise

- National Standard Committee on Rubber and Rubber Products (NSC N)
- Technical Committee on Rubber and Rubber Products (TC/N/1)
- Technical Committee on General Rubber Goods (TC/N/8)

Awards

- Invention, Innovation & Design Exposition 2017 (IIDEX 2017) - Plastic Rehal (Silver)
- The 1st International Malaysia-Indonesia-Thailand Symposium on, Innovation and Creativity (iMIT SIC 2017) – Silicon Nitride/ Polypropylene composite for knee cap application (Bronze)
- Scientific Research Invention & Innovation competition (SRIIC2017) - Plastic Rehal (Gold)
- Scientific Research Invention & Innovation competition (SRIIC2017) - The utilization of bamboo charcoal powder to produce functional rubber composites (Silver)
- Scientific Research Invention & Innovation competition (SRIIC2017) - The application of silica from rice husk ash as a filler in natural rubber (Bronze)
- 2016 Excellent Staff Award, Universiti Teknologi MARA
- Invention, Innovation & Design Exposition 2016 (IIDEX 2016) - Smart design, low cost Surface Plasmon Resonance (SPR) biosensor applicable for on site detection (Bronze)
- Invention, Innovation & Design Exposition 2016 (IIDEX 2016) - Ionic Crosslinking between Chitosan Alginate Polyelectrolyte Complex using Calcium Pyrophosphate as a physical crosslinker : Preparation & Characterisation (Bronze)
- Inventions, Innovations Designs 2007 (IID2007) - A novel foamed polymeric material prepared from natural rubber/polypropylene linear blends (Bronze)
